ONE-TO-ONE COACHING

Most of us tend to do the same old things each time we play and these bad habits can be easily corrected, making a massive difference to your game. It can be very difficult to take an objective look at your own strengths and weaknesses, so why not book a personal coaching session with a Serious Cricket coach who will make an in-depth and detailed assessment of your game.

All one to ones are available 9am to 9pm, 7 days a week, with prices from £40 per hour. Please call 01256 398633 for specific pricing.

STANDARD ONE-TO-ONE COACHING

The only coaching that is specific to your needs. Whether it is Batting, Bowling, Wicket Keeping or Fielding, have a coach revamp your game. Let one of our ECB level 3 coaches take a look at your game and work out an individual plan for you.

ONE-TO-ONE WITH VIDEO ANALYSIS

The use of video analysis in coaching has long been regarded as the most efficient way to highlight any problem areas. Take advantage of this opportunity to see yourself on video and then have a clearer picture on how to enhance your game.

ONE-TO-ONE WITH SILICON COACH

SiliconCOACH Pro is one of the leading video analysis programs and is currently being used by every test playing cricket nation, and various ICC development and high performance programs.

During the session, watch your game on SiliconCOACH and take away a dvd of the experience.

To book please fill out the form below and enclose a cheque made payable to Serious Cricket. You will receive via email a letter confirming your place on the courses.
